5

Enjoying peace and privacy, this beautifully presented and much-loved family property captures the wonderful views and idyllic lifestyle.

Set on a 3.05 Hectare block (7.5 acres) with sun-drenched established gardens, and walkways with views to The Rock nature reserve.

Be surprised by the two separate character filled cottages overlooking the picturesque tree lined dam.

The large dam is the feature of the property with a jetty, a great spot to sit back and take in the surroundings.

The established gardens are easy to care for from numerous watering points, three large water tanks & town water is also connected to the property.
